Come enjoy Phil Baker entertaining as he croons the classic songs from the Great American

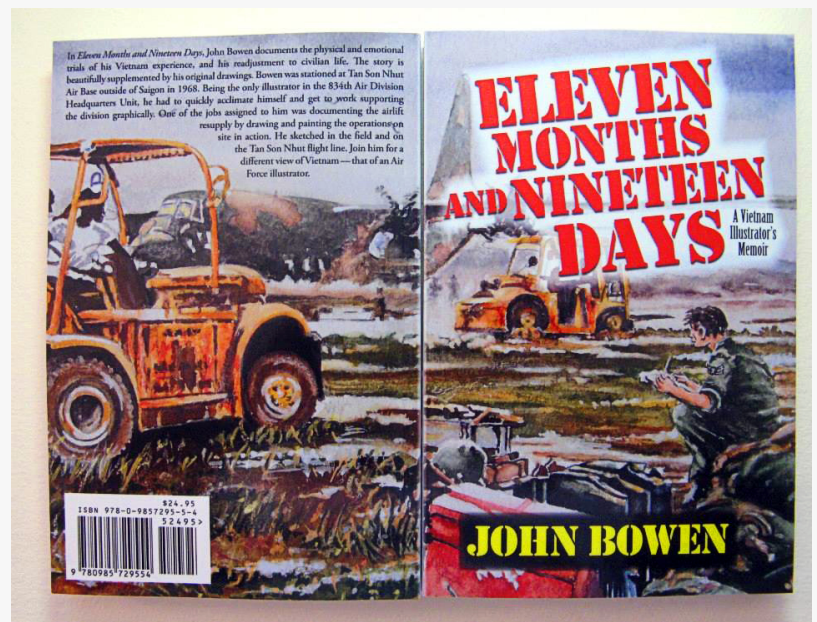

Songbook. Hi genre features Frank Sinatra, Tony Bennett, Bobby Darin, Jack Jones, Dean Martin and more. Born and raised in Chicago to a talented, musical family. Phil was a self-taught on the piano, began to sing and play professionally at a very young age. Later his little brother began playing drums and they formed a duo, "The Baker boys". Yes, they were the inspiration for the movie, "The Fabulous Baker Boys"! He performed in top resort casinos in Las Vegas including The Wynn. He is remembered him playing along with his brother (The Baker boys), in the "Champagne room", at "Septembers" in Fort Lauderdale back in the 90's until it closed. Phil regularly performs in North Beach Restaurants and Shoppes including 33rd Street Wine Bar and Scolapasta Italian Restaurant.

Born in New York City, John left the Northeast to become an Air Force Illustrator in 1961. After serving eight years, including a one-year tour in Vietnam as a "Combat Artist", he left the service, moved to South Florida and spent the next 40 years as a commercial artist working in newspaper advertising. Retiring in 2008, John now spends his time as a professional painter and sells his beautiful watercolors. "Eleven Months and Nineteen Days" is John's self-published, award-winning, illustrated book, that documents his tour of duty in Vietnam, in 1968. It's available from the author.
