"

The focus of our interviews revolves around Real People and Real Stories in which the magazine explores the history of how one became successful in a profession where it is difficult to achieve success.

Our profiles include actors, singers, dancers, directors, and other artists as well as, behind the scenes talent such as agents, managers, publicists, choreographers, costume designers, make-up artists, philanthropists, and others who play an equally important role in establishing the finished product which entertains, inspires and enlightens us.

In addition, A&G Entertainment Group and Shine On Global's Founder and Publisher of SOHM, Arnold Garcia, share his heartfelt story. "My Journey," will definitely inspire you. He also mentions SOHM's social media outlets like YouTube, Facebook, Instagram, Twitter, a website, and other digital platforms. That shows how available and engaging SOHM is, as evidenced by the mind-blowing "likes" and "hits" results! As we all know, arts and entertainment are all about numbers.
