“

It's a thrill to unveil our Design Center to the public, in collaboration with our partners, as well as to be able to support HorizonWALKS-Metro DC.”

Jenn Zschunke, Director of Community Relations, MOSS

In addition, MOSS Mission, MOSS's 501(c)(3) non-profit arm, will host an onsite fundraising raffle for a variety of goods and services, including a Handyman for a Day, family gym membership, and more, to raise funds for our event beneficiary partner, HorizonWALKS-Metro DC.

HorizonWALKS-Metro DC is an annual spring walk which helps raise the critical funds needed to support Horizon Day Camp, which aims to help restore the joys of childhood to local children with cancer and their siblings. Their signature programs include an inaugural six-week summer day camp, year-round "funday" reunion programs for the campers, and in-hospital programming all year long - all provided free of charge to our families.

The goal of the Design Center Open House raffle is to raise up to \$5,000, which is the cost to send at least one child to Horizon Day Camp, in the summer of 2023. Raffle tickets will be available to purchase in advance or in person on the day of the event. To learn more about HorizonWALKS, please visit their website or visit with the event director at the Open House in person.
