

# Aludecor Inaugurates New Manufacturing Unit in Haridwar

*Aludecor Inaugurates its Third Manufacturing Unit in Haridwar Becomes First Indian ACP Player to establish Three Aluminium Coil Coating Lines*

NEW DELHI, INDIA, October 12, 2022 /EINPresswire.com/ -- India's leading Aluminium Composite Panel brand, [Aludecor](#) inaugurates its third manufacturing unit in Haridwar today by elevating itself as country's highest ACP producer. With all three manufacturing units in Haridwar spreading over 35000 Sq. Mt., Aludecor is now equipped with Aluminium coil coating capacity of 22000 metric tons per annum. Besides being the first player in ACP Category to introduce India's first coil coating line way back in 2006, Aludecor is now having highest coil coating capacity in the country.

Newly Inaugurated Manufacturing Unit in Haridwar , Uttarakhand

“

As a Pioneer in ACP Industry today, we have always been playing significant role to bring the advanced technology that ultimately results in best-in-class products & customer delight.”

*Shri Ashok Kr. Bhaiya*

Speaking on the occasion here, Shri Ashok Kumar Bhaiya, Chairman & Managing Director, says, “Aludecor is the first façade product manufacturer in India to have in-house manufacturing facility of Aluminium Honeycomb core with backward integration process for the forward integration of Honeycomb Panels. As a truly ‘Make in India’ organization, we’ll now be producing [Honeycomb Panel](#) indigenously here.” With prospects in the aerospace, defence, marine, railways, and other industrial applications, the honeycomb panel market in India has a high potential in the coming days. Excellent mechanical performance of the honeycomb panel, rising demand for

lightweight materials, and strong expansion of the end use industries are the main key factors for this market. [Metal Composite Panel](#) Industry is witnessing a robust growth in India. Indian

Architecture & Construction Industry is experiencing facelift with ACP's wide applications. Aludecor being one of the first players in this segment is leading the bandwagon by investing heavily on enhancing its manufacturing capabilities by the way of Research & Development and product Innovation.

"As a Pioneer in ACP Industry today, we have always been playing significant role to bring the advanced technology that ultimately results in best-in-class products & customer delight." Bhaiya elaborates.

Aludecor has invested 110 Cr. INR to bring this world class manufacturing facility in Haridwar that is set to generate 350+ direct employment opportunities in the region.

#### About Aludecor:
