

# OnPoint Laboratories Expands Science Team and Specialty Testing Services

*The accredited and fully-licensed cannabis testing lab has added three new analysts and a quality assurance manager to its team in Snowflake, Arizona.*

SNOWFLAKE, ARIZONA, USA, October 13, 2022 /EINPresswire.com/ -- [OnPoint Laboratories](#) ("OnPoint Labs" or the "Company"), an Arizona accredited and fully-licensed cannabis [compliance testing](#) laboratory, today welcomed three new analysts and a quality assurance manager to the science team. The appointments will strengthen the Company's Quality Control and Quality Assurance department and accelerate the launch of its beyond compliance services at headquarters in Snowflake, Arizona.

The new science personnel includes Austin Flynn, Analyst - Solvents and Terpenes; Jesus Rios, Analyst - Potency; and Symone Whalin, Analyst - Pesticides. Ryan Gore has joined the team as Quality Assurance Manager.

“

We are thrilled to have new talent join our team as we broaden our offerings.”

*Sam Richard, CEO at OnPoint Laboratories*

The OnPoint Labs team has grown to over 50 employees with the new appointments and has expanded advanced-level job opportunities for highly skilled technicians in rural Arizona.

“We are thrilled to have new talent join our team as we broaden our offerings to not only provide reliable, compliant testing for the Arizona cannabis market, but also

specialty services to further support our customers,” said [Sam Richard](#), CEO at OnPoint Labs.

Beyond compliance, the Company provides soil testing, water testing, and product research and development support. Additionally, its science personnel is available for onsite visits to help determine critical control point vulnerabilities and to share proper sampling techniques and environmental inspection tips.

OnPoint Labs is ISO accredited and ADHS certified, offering state required testing packages for cannabis flower, concentrates, extracts, edibles, and post-product compliance. Additional non-mandatory services are also available. For more information visit [onpointlaboratories.com](https://onpointlaboratories.com).

#### About OnPoint Laboratories:

OnPoint Laboratories is an ISO accredited and ADHS certified High Throughput Screening facility for cannabis compliance testing in Snowflake, Arizona. Operating seven days a week, the laboratory provides state required testing packages for cannabis flower, concentrates, extracts, edibles, and post-product compliance.
