Life Messages, Volume II

It all started with a simple Facebook post. Author Thomas Frackenpohl shares an essay or two about his outlook on life. His friends enjoy seeing his literary works on social media and even interacting with his posts because they lift their spirits and provide them with realizations. Soon enough, he was able to launch a book with the encouragement and support of his friends. He has now successfully published three inspiring books. He would not have achieved this without the help and support of his friends and family.

Thomas Frackenpohl is also a nature photographer who sees beauty from a different angle with his beautiful photos. He loves to appreciate God's creations in all their aspects as he translates them into photography and literary works.
