“

In this compelling account of a man who lived, breathed, and survived under Japanese, Russian, South Korean, and American occupation.”

Marta L. Tullis

Having been born in Pyongyang, Korea, and after all the experiences he went through under numerous governments, Rhee has seen his fair share of people with the finer characteristics of humanity as well as those with undercurrents of malice, hostility, and misdirected thinking. Rhee's experiences taught him the dangers of socialism and the desolation a “planned economy” has on society.

The authors, Hackchan Rhee and Marta L. Tullis have been married for almost 3 decades. Aside from having authored Under Five Flags, Hackchan Rhee has numerous

professional accomplishments including the design of commercial and aerospace items while Marta Tullis has had a long career as a configuration analyst in the aerospace industry.

Copies of Under Five Flags are available at Amazon, Barnes & Noble, and more online bookstores.
