A ureteral stent is a tiny tube that is inserted into the ureter to treat or prevent renal urine flow obstruction. Length of stents used in adult patient's ranges from 24 to 30 cm. Stents are available in a variety of diameters and gauges to fit different ureter sizes. A cystoscopy is usually used to implant the stent. JJ stent, also known as a double J stent or pig-tail stent, has one or both ends coiled to prevent it from moving. These ureteral stents are made up of various materials including silicone and polyurethane (plastic). Ureteral stents are 10 to 15 inches long and 14 inches in diameter.

Global ureteral stents market is estimated to be valued at US\$ 498.2 Mn in 2022 and is expected

to exhibit a CAGR of 5.6% over the forecast period (2022-2028).

Impact Analysis – Ureteral stents Market Research

Analysts at Coherent Market Insights constantly monitor the Ureteral stents industry factors with impacts of current events; with this study an update of how industry players have tackled latest scenario and what key strategies have made significant difference is showcased.

Key Highlights from Ureteral stents Market Study

Historical Revenue and sales volume is presented and further data is triangulated with top-down and bottom-up approaches to forecast complete market size and to estimate forecast numbers for key regions covered in the report along with classified and well recognized Types and end-use industry. Additionally, macroeconomic factor and regulatory policies are ascertained in Ureteral stents industry evolution and predictive analysis.

In order to better understand Ureteral stents market condition five forces analysis is conducted that includes Bargaining power of buyers, Bargaining power of suppliers, Threat of new entrants, Threat of substitutes, and Threat of rivalry.

Leading players have been studied from Ureteral stents Industry depending on their company profile, product portfolio, capacity, product/service price, sales, and cost/profit.

Ureteral stents report additionally provides distribution, Production, Consumption & EXIM** (Export & Import). ** If applicable
