COVID-19 Impact Analysis:

The outbreak of COVID-19 (pandemic) has adversely affected the growth of industrial and/or professional applications. Moreover, the pandemic has severely impacted the global economy and all the industries across the world. Thus, a sharp decline had been witnessed in the adoption of Air Ambulance Services from various industries, especially in 2020 due to the disruptions in the supply chain. This in turn is expected to have a negative impact on the growth of the market.
