“PANCREATIC CANCER AND ME, UNCUT is the true story of a pancreatic cancer survivor's experiences of diagnosis, fight, pain, treatment, and recovery even through the disturbing noise of American politics and COVID-19.”

— Pancreatic Cancer and Me, Uncut by Samson Byrd

This book is a true account of a pancreatic cancer survivor; witness how this journey unfolds. Watch how the protagonist conquers the battle and how he dealt with the difficulties and hardships of having pancreatic cancer. Unlike most people, Bryd did not dwell on the thought of possibly not having to enjoy life longer than what he expected, instead, he immortalized the thoughts that went through his head the first time he was inflicted with the sickness, to his treatment process, up until surviving it.

Copies of the book are available on Amazon, Barnes & Noble, and other online bookstores.
