

PRESIDENT OF THE INDUSTRIAL COURT OF TRINIDAD AND TOBAGO HER HONOR DEBORAH THOMAS-FELIX PUBLISHES A SECOND LABOR BOOK

Author Deborah Thomas-Felix puts emphasis on maternity protection in her book Labour Law and Good Industrial Relations

TORONTO, ONTARIO, CANADA, October 13, 2022 /EINPresswire.com/ -- In achieving industrial stability, good industrial relations practices and principles are required, especially in a nation's social and economic development. Deborah Thomas-Felix understands such sentiment and so authored the book "Labour Law and Good Industrial Relations: Progressive Discipline and Maternity Protection in the Workplace".

"Labour Law and Good Industrial Relations: Progressive Discipline and Maternity Protection in the Workplace", published in May this year, is Mrs. Deborah's second book about labor. It has seven chapters of varied industrial relations trends, namely progressive discipline in the workplace, warnings, suspension from work, summary dismissal, the right to be heard, the disciplinary process and the grievance procedure, and, most importantly, maternity protection at work. There also is a glossary of different laws around the world to provide a more in-depth understanding of the subject.

Presently the president of the Industrial Court of Trinidad and Tobago, Mrs. Deborah Thomas-Felix deems it a part of her job to spread awareness and encourage a good comprehension of both labor law and industrial relations while providing the means to achieve such. In fact, she has already published her first labor book entitled Labour Law in the Commonwealth Caribbean, the Practice of Good Industrial Relations in the 21st Century.
