

Highlights from the Construction Links Network platform this week - October 13, 2022

The only peer-to-peer content sharing platform for the construction, building and design community

SUNDRE, ALBERTA, CANADA, October 13, 2022 /EINPresswire.com/ --
[Construction Links Network](#) is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more. Members use this platform to share and onboard their digital content on the Internet, through social media and our popular e-Newsletters. Ideal for product / service releases, company announcements, blogs, podcasts, webinars, case studies, videos and more.

Top news this week has the Canadian Construction Association opening up nominations for the 2022 CCA awards. CCA's National Awards recognize individuals, organizations and projects that promote and enhance the Canadian construction industry in nine different categories. The awards program is open to all relevant CCA member organizations and individuals who meet the requirements of each award, regardless of organization size or project scope. The submission deadline for the 2022 CCA awards is November 28, 2022.

The Royal Architecture Institute of Canada also has opened its call for submissions for its slate of annual awards. The RAIC Gold Medal, the Architectural Practice Award and the Emerging

content sharing - construction links network

Architectural Practice award will be joined by three revamped awards previously under the biannual Awards of Excellence banner. The deadline for submission is on December 15th.
