crafted his book from his experiences, which is a perfect story for all ages.

Born and raised in Southwest Virginia, Larry Lawson was a Coal Miner for 38 years and has always dreamed of playing in Major League Baseball.

A few years after graduation, he got a chance to coach girls’ Little League softball and High School softball. One of the first things he experienced as a coach was the smaller kids saying they were too little to do certain things, which drives him to write this story to motivate the little kids to dream big and try harder.

Larry Lawson's *The Wish* is available on Amazon and Barnes & Noble, both Kindle and Paperback format. For more information about Larry Lawson's news and the latest book release, visit his new website at www.booksbylarrylawson.com.
