*The Business Research Company's Information Services Global Market Report 2022 – Market Size, Trends, And Global Forecast 2022-2026*

LONDON, GREATER LONDON, UK, October 14, 2022 /EINPresswire.com/ --

As per The Business Research Company's "Information Services Global Market Report 2022", the

[information services market size](#) grew from \$136.23 billion in 2021 to \$147.58 billion in 2022 at a compound annual growth rate (CAGR) of 8.3%. The Russia-Ukraine war disrupted the chances of global economic recovery from the COVID-19 pandemic, at least in the short term. The war between these two countries has led to economic sanctions on multiple countries, surge in

commodity prices, and supply chain disruptions, effecting many markets across the globe. The information services global market is expected to grow to \$181.08 billion in 2026 at a CAGR of 5.2%. The rising use of social media for people to connect and communicate with each other is expected to drive the demand for information services during the forecast period.

Reports have been updated with the most recent Ukraine-Russia War impact on market growth for all 27+ industries. Reports also provide possible solutions and opportunities for surviving this crisis. "
