

Hello Beautiful Smile - Black Owned Oral Cosmetic Center Announces First Veneer Care Product Line

Introducing The Veneer Collection By A List Smiles Atlanta

ATLANTA, GA, USA, October 14, 2022 /EINPresswire.com/ -- Breakthrough cosmetic dentistry launches first-of-its-kind eco-friendly veneer maintenance and protection care system.

A-List Smiles Atlanta proudly announces [The Veneer Collection](#). A collection of products dedicated to consumers who've successfully received composite or porcelain veneers or who are planning to receive veneers. The eco-friendly line comprises six unique dental products that put oral hygiene first. Each high-end product focuses on several critical components of treatment based on consumers' desires.

Aimed for an October 17 soft launch date, The Veneer Collection is predicted to make a big splash industry. With a growing clientele and support from A-List Smile's Atlanta and other cosmetic dentistry offices across the globe, this unique line of products

aims to be the first of its class in support of the consumer. The products are used as further ongoing treatment and upkeep of the smile following a successful veneer install. The Veneer Collection offers a cost-effective therapy, allowing for quick and easily accessible products, targeting both those with veneers and those seeking to treat their natural teeth.

The formula of the products remains consistent throughout the company's portfolio. Each product targets every style of vanners and uses organic and natural ingredients allowing consumers to maintain the look they want.
