FRANKFURT, GERMANY, October 14, 2022 /EINPresswire.com/ -- Frankfurt, DE— The Joys of Being

“

When university professors are asked how their work is going, the response may focus on difficulties associated with the profession rather than on joys.”

*Andrew D. Cohen*

a Professor: My Life in Academia by Andrew D. Cohen is an eloquent work aimed at a general audience. Authors Press is honored to be the one among various publishing companies to represent the book at the 2022 Frankfurt Book Fair this coming October 19-23, 2022.

“When university professors are asked how their work is going, the response may focus on difficulties associated with the profession rather than on joys. What, in fact, are some joys that I have had in being a professor? What about

the joys that those aspiring to become professors might have in choosing this career as their own? And might this information encourage those already in this career path? It might also provide interesting reading for veteran professors, prompting them to take stock of joys they have encountered.”
