

NAHQ Welcomes New CPHQs

The CPHQ credential demonstrates a commitment to advancing quality, safety and value.

CHICAGO, UNITED STATES, October 14, 2022 /EINPresswire.com/ -- [The National Association for Healthcare Quality](https://www.einpresswire.com/)[®] (NAHQ) is proud to announce the most recent recipients of the [Certified Professional in Healthcare Quality](https://www.einpresswire.com/)[®] (CPHQ) credential.

“Healthcare quality and safety professionals who earn the CPHQ credential have demonstrated knowledge, understanding, and application of the domains of healthcare quality and safety; they are prepared to make healthcare better,” said Jennifer Pitts, NAHQ’s vice president of programs, products, and certification. “We congratulate each of our CPHQ’s for demonstrating an ongoing commitment to excellence and lifelong learning, and a dedication to enhancing quality and patient safety.”

About NAHQ

The National Association for Healthcare Quality® (NAHQ) is the only organization dedicated to healthcare quality pros, defining the standard of excellence for the profession, and equipping professionals and organizations across the continuum of healthcare to meet these standards. NAHQ believes that to reduce variability in healthcare delivery, we must first reduce variability in healthcare quality competencies, so we focus our efforts on healthcare quality competencies and workforce development. NAHQ published the first and only Healthcare Quality Competency Framework and validated it twice in the market. We offer the only accredited certification in healthcare quality, the Certified Professional in Healthcare Quality® (CPHQ), extensive educational programming, networking opportunities and career resources to help healthcare quality professionals enhance their competencies and their value. Learn more at [NAHQ.org](https://www.nahq.org).
