*Bravo Home Products now provides an excellent solution for skylights built for homes, businesses, patios, terraces or gardens in a creative and functional way.*

VICTORIA, BC, CANADA, October 15, 2022 /EINPresswire.com/ -- Bravo Home Products is pleased to announce the new Bravo Retractable Skylight Screen. Bravo Home Products now provides an excellent solution for skylights built for homes, businesses, patios, terraces or gardens in a creative and functional way.

Bravo Skylight Retractable Screens are durable, easy to operate, and match any architectural style. Perfect for existing and new homes, these custom [skylight screens](#) give you the best of both worlds – natural ventilation and uninterrupted views, as well as protection from the harsh glare of sun and pesky insects.

Skylight screens can also cut down unwanted heat, and dramatically decrease unpleasant noise during heavy rainstorms all while providing a beautiful clear view of the sky above. Bravo Skylight Retractable Screens consist of a new stronger sliding screen mesh, with an aluminum frame structure.

Skylight motorized shade

Skylight shade

Bravo Skylight Screens the advantages of fade resistance and energy efficiency, with the beauty, appearance, quality and time proven reliability of a traditional skylight screen. Years of experience in design, quality assurance and customer feedback have gone into our Bravo Skylight Retractable Screens.

The Skylight Retractable Screens are custom made for your skylight. The screens can be designed for any size of skylight. The Skylight Retractable Screens come with a motorized system and can be easily opened with a simple click of the remote. As well as offering protection from the elements, Bravo Skylight Retractable Screens enhance the attractiveness of your home.

The Bravo Skylight Retractable Screens can also be used indoors for sun tunnels, swimming pools, hot tubs, jacuzzis and gardens. Bravo Home Products, offer the best for your home or business. The Bravo Skylight screen housing units are either entirely hidden from view or at least installed in a discreet manner, so they won't detract from the appearance of your home or business. The skylight screens are designed to withstand many years of use while retaining their visual appeal and structural integrity.

Bravo Home Products offer numerous screen options to suit your needs and preferences. Additionally, Bravo Home Products will honour the full manufacturer warranty for your screens, keeping your investment protected over the years. Bravo Home Products have a reputation of going above and beyond to take care of our customers. To learn more about the benefits of having our large retractable screens for doors, awnings, or windows, contact Bravo Home Products today. We will be happy to provide you with a price quote over the phone, along with a free consultation.

Research shows that sunlight improves your mental and physical health. Having more sunlight in your home can bring tremendous value to your life.

Bravo Skylight Screens are a great way to add light to your home and lighten your mood. Since these skylights do not require electricity, you enjoy the added benefit of natural light, and reduce your carbon footprint, making you an earth-friendly citizen!

Bravo Home Products look forward to assisting you with your design project!
