

## A GLIMPSE OF THE AUTHOR'S LIFE

*Author Sharon Romero shares her memories and experiences through poetry*

TORONTO, ONTARIO, CANADA, October 17, 2022 /EINPresswire.com/ -- Sharon Romero collected poems written by herself throughout her life. She writes all her deep-seated emotions and expresses them all in a poem. In this book, [Poetry of a Life](#), Sharon Romero shares a piece of her life with the readers and lets them narrate or reflect on it in their own lives.

As she grew up, more emotions were built and more poems were written by her. These emotions can all be felt in this book. Poetry of a Life is a collection of poems about love, marriage, children, conflict, deceit, and also music.

Not all things in life are covered in happiness. Some experiences are also full of darkness and sadness. Sharon tells it all in her poems, and she has nothing to hide.

This will surely give readers the emotion that Sharon is feeling when writing a certain piece of poetry. It can be anything from happiness to pain. As everybody might already know, life is not always about rainbows and butterflies. Sharon also shares some photographs from her personal adventures that will be seen at the end of every poetry piece.
