

A GREAT GUIDE TOWARDS THE INNER SELF

Author Tracy Emerick guides aspiring entrepreneurs toward success

TORONTO, ONTARIO, CANADA, October 17, 2022 /EINPresswire.com/ -- Steve Jobs is known as one of the most successful people in his field of technology. He successfully created a brand for his name and became known for the "clean and tidy" look of his work. Author Tracy Emerick shares why Steve Jobs is a perfect role model for upcoming entrepreneurs.

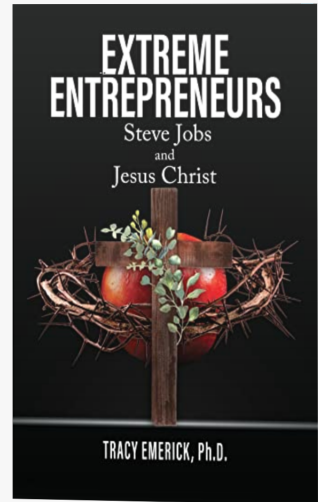

On the other hand, Jesus Christ extremely influenced people to care and love unconditionally. These traits are also important to not just entrepreneurs but to everyone.

Author Tracy Emerick, a Ph.D. degree holder in Business Administration, shares his expertise with all by writing this book. Tracy Emerick also writes about how Steve Jobs and Jesus Christ have successfully influenced people until now. The book will actually entertain and inspire the readers at the same time as it discusses the building blocks of being an entrepreneur. The book also talks about the soul of every person. The most significant internal drive for pursuing any passion or vocation. Once company owners do not fully commit to their job, all their ventures will possibly fail in the long run.

This book is surely a must-have on every businessman's bookshelf or reading list. Don't forget to grab a copy of Tracy Emerick's "[Extreme Entrepreneurs: Steve Jobs and Jesus Christ](#)," available on Amazon, Barnes & Noble, and all other top online book retailers.
