

Ottawa Palapa Tours takes on Dragons' Den

Does a small startup boat tour company have what it takes to face the dragons as tourism struggles to recover from a global pandemic?

OTTAWA, ONTARIO, CANADA, October 17, 2022 /EINPresswire.com/ -- As fellow Ottawa residents, we wanted to let you know that we've been selected to appear in an upcoming episode of DRAGONS' DEN, airing October 20th at 8:00 PM (8:30 NT) on CBC and the CBC Gem streaming service.

We started [Palapa Tours](#) two years ago in the midst of a Global Pandemic in an industry that was the hardest hit "Tourism". Ottawa Palapa Tours allows tourist and locals to take a relaxing tour up and down the Ottawa River on a Hawaiian style Palapa Hut. Whether it's just hanging with friends for a fun time, taking a romantic cruise, or a Corporate / School Group Excursion, Palapa Tours is one of the coolest ways to get out on the water!

Launching a business is no small task. No matter how big an idea you think you have, it still takes a lot of work and a ton of cash. Enter DRAGONS' DEN, where aspiring entrepreneurs like Palapa Tours pitch their business concepts and products to a panel of Canadian business moguls who

have the cash and the know-how to make it happen. They've all been there themselves, so pitchers better not enter the Den unprepared. It takes more than passion to convince these boardroom barons that an idea is worth their investment. The Dragons are ruthless and rightly so - it's their own personal money on the line.
