recognized out of 100 companies and was honored at the 28th annual Utah 100 Awards program, held at the Grand America Hotel in Salt Lake City. This is the fifth consecutive year that Blue Raven Solar has been recognized by the MWCN.

The MWCN's exclusive awards program recognizes professional service providers, entrepreneurs, and investors for the impact they have on business success in Utah. Startups and companies with top revenue-growth are also recognized by these awards.

"Over the last year, Blue Raven Solar has continued to rapidly grow as one of the leading residential solar providers in the country. We are so excited for the future of the solar industry and for the ability we have to change the world," says Ben Peterson, CEO of Blue Raven Solar.

Blue Raven Solar provides homeowners across America with a simple and affordable way to get the best solar technology while saving on their utilities. In eight years, the company has gone from three to over 3,000 team members nationwide and become a top solar company in the U.S. Blue Raven Solar has been recognized multiple times on the Utah Business's Fast 50 list, the UV50, and The Financial Times: The Americas' Fastest Growing Companies, among other awards.

Recipients of the Utah 100 were chosen by the percentage of revenue increase of each company between 2017 and 2021.

"We congratulate all of this year's Utah 100 companies for building outstanding businesses and making strong contributions to Utah's economy," said Jason Roberts, Chairman of the MWCN Utah 100 committee. "These companies further advance Utah's standing as an excellent place to do business."
