supported me from the beginning," says Lee. "The Murphy Lee Experience makes one helluva date night with great music, comedy, food, drinks, etc."

Murphy Lee has always been known for delivering phenomenal flows and manipulative metaphors, which hasn't changed, but The Murphy Lee Experience reflects

the new Murph. It's an intimate night out, including performances by Murphy Lee, comedy headliners, a live band, a DJ, and a sprinkle of hip-hop and R&B performances.

The Experience kicks off in Atlanta on October 22 from 6:00 PM to 10:00 PM at Atlantucky Brewing (170 Northside Dr. SW suite 96, Atlanta, GA 30313), the Atlanta brewery owned by the members of Southern rap quartet Nappy Roots. The event boasts performances by Lee, comedians Navv Greene and Darius Bradford, Entersession Band, DJ Such N Such, Singers LaToya Sheran and Seviin Li and featuring the St. Lunatics.

The idea of the Murphy Lee Experience came from Murphy Lee and his brother KyJuan's (also a

Tic) excursions while on the road. "When on tour, we would always venture out to comedy shows," says Lee. All about positive vibes and good energy, the duo wanted to create an opportunity to intimately engage with their fans in the fun, laid-back setting that comedy provides. "We wanted to provide a platform for humans with a true talent to have real opportunities to show it," he said. The Murphy Lee Experience will feature headliners and rising talent at every stop and leave goodwill with philanthropic efforts that benefit youth. The tour is slated to visit St. Louis, Oklahoma City, Charlotte, Houston, and more cities are being added daily. UCME Entertainment and AK Legacy Firm are producing the tour.
