Testimonials

"Gregg was an amazing lawyer. He and his team were incredibly professional from the start and Gregg was just as passionate about my issue as I was. He cared - which is something many lawyers don't do. He expedited resolution to my issue and sought to restore justice. I am eternally grateful for him and his colleagues. I had been fighting this issue for 6 months and within 2 weeks of hiring him, it was resolved. Highly recommend if you are in need of a lawyer."

"I worked with Gregg Gallian and had amazing results! I contacted a different lawyer at the beginning of my case and had no communication, effort and I even started to question whether I was forgotten about. I made the change and got with Mr. Gallian and he was quick and effective with making progress with my case! He was always professional, very communicative, knowledgeable in what he does and will get you good results! I highly recommend him and I know I'll be contacting his firm if I ever need to again."
