ZaZ Restaurant also plans to bring its new food truck to the Boston Seaport's Winter promotional marketplace, Snowport, through January 2023.

"We couldn't be more pleased to celebrate such a special milestone," Chef Orlie says. "To us, cooking isn't just about preparing a meal and putting it in front of the client. It's so much more than that. Our goal has always been to take our clients' taste buds on a culinary adventure – providing unforgettable experiences with loved ones. To me, this is a vital ingredient in the recipe of life. We can't wait for you to taste what we have to offer – and we promise you'll never forget it."

Never one to settle, Chef Orlie also has plans to open additional locations over the next few months. The restaurant's standard dine-in restaurant is located at its flagship space in Hyde Park, MA – 1238 River Street, Hyde Park, MA 02136
