

Russian River Vineyards Consolidates Ownership

Giovanni Balistreri (Gio), Russian River Vineyards Winemaker and General Manager, and a small team of financial backers have purchased Russian River Vineyards.

FORESTVILLE, CALIFORNIA, UNITED STATES, October 19, 2022 /EINPresswire.com/ -- Giovanni Balistreri (Gio), [Russian River Vineyards](#) Winemaker and General Manager, and a small team of financial backers have purchased Russian River Vineyards from the large partner group that has owned the business since 2008. Balistreri, an original RRV partner, has invigorated the business, built a strong operating team, and expanded sales and distribution since becoming General Manager in 2019.

In the fall of 2008, the historic estate was purchased by Giovanni Balistreri, famed [Pinot Noir](#) winemaker Anthony Austin, Chris O'Neill and over 40+ other investors and partners.

"Having just a handful of owners and a simpler management structure now makes it easier for me to focus on the wine and on growing the business," says Gio.
