

Digital Gravity Agency, #1 Web Design and Web Development Company In USA

NEW YORK CITY, NEW YORK, UNITED STATES, October 19, 2022

/EINPresswire.com/ -- Digital Gravity Agency is an established and well-known [website design agency](#) based in UAE for a decade now. The company's founders proudly announce their entry into the multi-ethnic USA market.

Digital Gravity Agency operates in the USA under the same administration as digital gravity UAE. With a team of professionals, the company helps businesses step up their game by offering them web solutions, including website development, UI/UX Design, mobile app development, etc.

Having worked with big brands like Belgravia, CryptoSauk, Emaar, Better homes, and Suzuki, Digital Gravity Agency is among the [top website development services](#) providers.

Digital Gravity Agency Logo

Today the digital presence decides the success or failure of a brand. Nearly every business has a website, and social media accounts, which means simply being present on these platforms isn't enough.

Brands should have a proper strategy for marketing themselves and advertising their products on digital platforms. Digital Gravity Agency has helped a diverse clientele to do just that.

From its first day, the company has been aiming to help businesses stuck in a rut and don't see how they can climb the hurdles to digital marketing success.

Core Services

Digital Gravity Agency is a full-service agency that helps businesses gain new heights of success with their cutting-edge web solutions. Here are some of their services:

1- Web Development

They offer user-centric and mobile-friendly web development solutions to brands. Their web development services include WordPress development, Joomla development, ASP.NET development, PHP development, and Enterprise development.

2- Mobile App Development

Digital gravity provides a complete cycle of mobile app services, including development, design, integration, and management. They use Java, Swift, Android UI, Cordova, Kotlin, Objective-C, and Ionic Jetpack Tools. Compose as the front-end technology stack.

3- Branding & Communication

Their passionate brand managers ensure a business's name becomes a renowned brand name. Their branding & communication services include corporate identity, packaging design, business card design, and company profile brochures.

4- Logo Design

Your logo is your company's face for people and builds trust by showing your professionalism. The design team at Digital Gravity creates a new logo from scratch in line with the brand voice and requirements of the client to create something that customers won't forget.

5- UI/UX Design

They create immersive and intuitive UI/UX Designs for mobile and web apps. Their team is composed of highly qualified and talented designers who create thoughtful website designs for brands in the USA.

6- E-commerce Development

Digital gravity agency build functional and visually appealing e-commerce websites for companies worldwide. They have expertise in building tailored Magento and Shopify e-commerce websites for businesses worldwide.

7- Digital Marketing

Their team builds innovative, customized, and multi-channel digital marketing campaigns for many small and big companies all over the USA.

The company provides several [digital marketing services](#), including SEO, PPC, CRO, social media marketing, content marketing, email marketing, and social media optimization.
