

## Axle ai and Symply team up for joint media storage solutions at NAB NY 2022, booth 1638

Axle ai 2022 bundles with SymplySPARK Thunderbolt storage; new Axledit 1.3 cloud MAM software supports SymplyPERIFERY scale-out S3 appliance -NAB NY Booth 1638

NEW YORK, NY, USA, October 19, 2022 /EINPresswire.com/ -- <u>Axle Al</u> and <u>Symply</u> will be teaming up at NAB New York to present a joint solution for housing and managing large amounts of media content. Earlier this year, Axle launched <u>axledit</u>, a revolutionary cloud MAM with integrated collaborative video editing. With

today's announcement, axledit now extends its reach directly to hybrid cloud scenarios that include highly scalable on-premise object stores. In addition, Axle AI's industry-leading affordable on-premise MAM is now being offered with SymplySPARK Thunderbolt storage, at prices ranging

## ٢

Symply is leading the storage market, with great new products like SymplySPARK Thunderbolt arrays and SimplyPERIFERY S3-compatible on premise storage. We're delighted to be offering these bundles" *Sam Bogoch, CEO, Axle Al*  from \$6,999 (48 terabytes capacity) to \$12,699 (160 terabytes capacity).

Axledit's unique collaboration features allow not only browser-based media search and review and approval by producers and clients, but also simultaneous editing sessions with a shared view of timelines. This capability is especially important in a world where remote work has become not only accepted, but the overwhelming choice of content professionals industrywide.
