OKLAHOMA CITY, OK, UNITED STATES, October 21, 2022 /EINPresswire.com/ -- [Woligo](#), a digital insurance and benefits hub, is proud to be a Champion for the 2022 Cybersecurity Awareness Month campaign led by the Cybersecurity and Infrastructure Security Agency (CISA) and the National Cybersecurity Alliance (NCA) to promote vital cybersecurity information throughout the month of October. Together, CISA and the NCA lead a collaborative effort between government and industry to raise cybersecurity awareness nationally and internationally.

This year's campaign theme — "See Yourself in Cyber" — demonstrates that while cybersecurity may seem like a complex subject, ultimately, it's really all about people. As a part of the partnership, Woligo will be conducting outreach to customers, associations, and community members to share key action steps that everyone can take to protect their online information and privacy.
