Gabriel Gonzalez is one of the few artists who create hyper-realistic tattoos in Hollywood and is well known for that. He even helps customers choose the best tattoo, making them believe they made the best choice in choosing Sacred Eye Tattoos.

"My passion for providing customers with an experience they will remember for a lifetime while always doing the best work has helped me reach great heights." Hollywood is a difficult place to make a mark, but now Sacred Eye tattoos are one of the top 3 shops for Tattoos, according to Hollywood.

Sacred Eye tattoos believe that if something remains on a body for a lifetime, it has to be perfect without causing regret. While most tattoo shops focus on providing tattoos that will last for a lifetime and focus little on color, vibrancy, and realism, Sacred Eye Tattoos want to deliver art that looks as realistic as possible. The ink used by Hollywood artists and shops helps create the tattoos the customers desire with as much realism as possible.

A customer reviewed it on Google and stated, " I will never go to another tattoo shop again. Sacred Eye Tattoo is by far the best shop in so many ways. You walk in with just an idea for a tattoo and leave with a beautiful work of art that exceeds all expectations. The new shop is even better, and you will not regret the visit!! It's on your body forever. Make the right choice and go

to Sacred Eye Tattoo!"
