The most commonly used software in HR is the Human Resources Information System (HRIS).

This article will provide a brief overview of HRIS, its main functions, and all you need to understand HRIS.

Competitive Landscape

Global Human Resources Information System (HRIS) software Industry study will provide valuable insight emphasizing the global market. The major players in the industry are

Sage

SAP

Oracle (NetSuite)

Automatic Data Processing

Paychex

Microsoft

Intuit

Workday

IBM Corporation

Infor

Kronos

Yonyou

Epicor

Unit4

Xero

Our Human Resources Information System (HRIS) software market analysis also entails a section solely dedicated to such major players wherein our analysts provide an insight into the financial statements of all the major players, along with product benchmarking and swot analysis. The competitive landscape section also includes key development strategies, market share, and industry ranking analysis of the players mentioned above globally.

This Human Resources Information System (HRIS) software report includes big data related to product or technological developments observed in the market, complete with an analysis of the impact of these advancements on future market development. The analysis in this Human Resources Information System (HRIS) software industry report will help organizations understand the major threats and opportunities that vendors face in the market. Additionally, the report features a 360-degree overview of the competition.

[Segmentation Analysis](#)

Human Resources Information System (HRIS) software Industry, By Product Types

On-premise

Cloud-based

Market, By Application

Small Business (SSB)

Small and Midsize Business (SMB)

Large Enterprise
