

The Open Education Awards for Excellence 2022 Winners Announced

Now in its 11th year, the OE Awards 2022 celebrate 15 outstanding education trailblazers and projects that innovate and drive open education globally.

CONCORD, MASSACHUSETTS, UNITED STATES, October 20, 2022 /EINPresswire.com/ -- Open Education Global (OEGlobal) is honored to announce the recipients of the 2022 Open Education Awards for Excellence.

The 2022's winners are incredible from student-created OERs, and a digital bookshelf, to regional collaborations to save the forests and brave librarians sustaining students in extreme conditions."

Marcela Morales, OE Awards Liaison

The 12-member strong Open Education Awards Committee, comprised of educators and open education advocates from around the world, has reviewed the 89 nominations from across 22 countries.

OEGlobal is pleased to congratulate the fifteen Open Education Awards for Excellence winners across 15 categories in 2022. In addition to the usual 13 categories, in 2022 we celebrate the contributions to two special

categories: 1) The Open Resilience Award, which recognizes and celebrates efforts to overcome adversity, pivot quickly, and thrive in the face of unprecedented challenges or crises, and 2) The Diversity, Equity and Inclusion Award to foreground efforts focused on creating diverse, inclusive and equitable opportunities in learning environments.
