

Highlights from the Construction Links Network platform this week - October 20, 2022

The only peer-to-peer content sharing platform for the construction, building and design community

SUNDRE, ALBERTA, CANADA, October 20, 2022 /EINPresswire.com/ --

[Construction Links Network](#) is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more. Members use this platform to share and onboard their digital content on the Internet, through social media and our popular e-Newsletters. Ideal for product / service releases, company announcements, blogs, podcasts, webinars, case studies, videos and more.

Top news is courtesy of the Canadian Construction Association as they sound the alarm about the urgent need for workers in construction through an industry call to action to Rebuild Canada's workforce NOW. As job vacancy rates grow and competition for talent becomes more fierce, the federal government needs to expand the Temporary Foreign Workers program and facilitate the entry of immigrants interested in working in the construction sector. Help spread the word by sending a letter to your MP.

The top video is courtesy of Finning Canada who recently hosted their local Caterpillar Operator Challenge event in September. It was a great opportunity to see customers, celebrate operators

content sharing - construction links network

and their skills, and see Cat® machines in action.

More content shares from members include:
