

Freedom Makers Virtual Services has joined NVBDC Military & Veteran Organization Task Force

Freedom Makers Virtual Services' virtual assistants are military spouses, who understand how to be flexible and deliver service and support to businesses.

DETROIT, MI, UNITED STATES, October 21, 2022 /EINPresswire.com/ -- National Veterans Business Development Council (NVBDC) welcomes Freedom Makers Virtual Services (FMVS) to NVBDC Task Force. FMVS helps small business owners and entrepreneurs focus on what matters most — growing their business — by providing reliable, highly skilled, and trustworthy virtual assistants.

What Sets Freedom Makers Virtual Services Apart?

Freedom Makers Virtual Services believes that in your work, and in your life, you should have the power to choose the things that are the most important to you.

Their watch phrase, Choose Your Freedom, is for their clients and their military spouse virtual assistants. It speaks to the freedom built into the core of who they are, how they operate, and what they provide: freedom for military spouses to choose their clients, and to grow their careers as they see fit. And freedom for clients from stress and the daily, mundane, and tedious tasks that steal valuable hours from each day.

Freedom Makers Virtual Services has three guiding principles:

- Freedom
- Transparency
- Strive for Excellence
