

New Water Spot Remover from Proje Sure to Impress, featured at SEMA Expo 2022

Proje Premium Car Care announces a new product specially formulated to fight hard water spots and deposits at SEMA Automotive Aftermarket Expo.

LA MIRADA, CA, UNITED STATES, October 21, 2022 /EINPresswire.com/ -- Proje's new advance [Water Spot Remover](#) is a game changer. The specially formulated gel works to break down and removes built-up minerals and deposits left behind after water evaporates on paint or glass. This newly formulated product is designed to especially tackle Hard Water leaving water spots that seem impossible to remove. Devin Doty a professional auto detailer said, "this is a wonderful product to cut my job time significantly and leave a clean surface."

Proje's new water spot remover has a pleasant grape scent infused in the gel. In an everchanging car market, a good reliable water spot remover is an essential product to have in your toolbox. "A good water spot remover can reduce my detailing time by 50% and ensures a beautiful job for my clients", states Mr. Doty.

“

The best water spot remover, and has made my job so much easier.”
