FRANKFURT, GERMANY, October 23, 2022 /EINPresswire.com/ -- Since the 15th century the Roemer has been the official Parliament House of Frankfurt in Germany. With its characteristic steps and the Parliament session Hall, the Roemer is the most exclusive landmark of the State. It is also the power center of politics where parliament representatives and the Head of the Region residing his official office and workplace. Inside the Roemer is the Imperial Hall Names "Kaisersaal", the highest architectural masterpiece with a long tradition going back thousands of years and also an undisputed gem of Germany. Since the Year 750 all German kings and emperors were traditionally and ceremoniously crowned in this room followed by the famous "Roemer" Balcony speech and greet to the population.

In last years we have repeatedly read in many press articles that Diwali is officially celebrated in many countries by the government, e.g., in USA White House. It is a great honor for all Hindus living all over the world that we have the opportunity to celebrate for the very first time Diwali

officially at this historical Place in Imperial hall, Roemer.

To celebrate the Diwali festival of lights which is most famous among Hindus, Jains and Sikhs all over the world, the "Deepavali". The festival, which signifies the triumph of light over darkness and good over evil. The story of Rama and Sita finding light after darkness reminds us that no matter the difficulties in our path today, there is always hope for a brighter tomorrow.

At this Diwali many official representatives from various countries have already announced their presence. Association representatives from Indian Diaspora and Asian and European Part are excited to attend this historical moment. A traditional "Pooja" at the beginning followed by light Lamping ceremony will be the highlight to open by honored guests and official state heads.

The German Government of Frankfurt organizes the Diwali Reception officially and the initiator is the first Indian Parliament Member of Frankfurt in Germany, Mr. Rahul Kumar. He won the Parliament elections of Frankfurt last year 2021 with over 162000 Votes. This News was also published in Times of India that time and in most other German Media. Mr. Rahul Kumar shares that "Diwali is a festival where families and friends come together to celebrate brotherhood, love, joy and unity. It is a great privilege to commemorate the festival by organizing and celebrating it with the Indian-German community by solidifying the bond among the countries. Most notable for me is that we are celebrating it in that great historical room and locality where the German Kings, Lords and famous world personality like the Queen Elizabeth

or the Dalai Lama has their speeches.

It is a very proud moment and a great opportunity to represent the festival. Positive changes in the world come from small acts of kindness; we are all capable of, just like a small Diya, which can erase any darkness by lighting up the entire environment. I wish everyone joy, bliss and harmony on this Diwali.

I feel and believe that this is the best way to represent the true values of Hindu culture, sacred tradition and sastras. We are celebrating together, building a bridge of trust and harmony, and showing respect to the root by representing the country. Our Motto is: Diwali | Bring people together. Where there is unity there is always victory.
