

# DAYMOND JOHN - THE ENTREPRENEUR, THE SHARK, THE BRAND CONSULTANT - WELCOMES DR JOHN LIPMAN ON IG LIVE @THESHARKDAYMOND

ATLANTA, GEORGIA, USA, October 24, 2022 /EINPresswire.com/ -- After turning a \$40 budget into FUBU, Mr. Daymond John has ultimately created an impressive \$6 billion fashion game-changer, and has since continued to thrive as a multi-hyphenated entrepreneur, leader, mogul, speaker, businessman, shark and brand consultant. Not only a pioneer in the fashion industry, John is a 4-time Emmy Award winning Shark, a best-selling New York Times author, a branding guru, as well as a motivational speaker in high demand.

Proclaimed and happily adapted, "The People's Shark," Daymond John has made an indisputable impact on hopeful and persistent entrepreneurs, through his own transparent and riveting personal story and professional journey to success that inspires people.

Daymond has simultaneously created his brand consulting company, The Shark Group. As a senior brand consultant of his company, Mr. John and his team, on an individualized basis, conduct need assessments, analyze problems, and innovate sustainable solutions for brand growth and optimal longevity, beyond his tutelage. It is fair to say that he recognizes an important opportunity when he sees one. While the "fibroid story" is not an investment opportunity, it is a way to use his significant platform to educate women; particularly African-American women who disproportionately suffer with these fibroid tumors.
