IoT Tech Expo Global announces new speakers

New speakers have just been announced for the upcoming The IoT Tech Expo Global, taking place on the 1-2 December 2022 at Olympia, London

LONDON, UNITED KINGDOM, October 24, 2022 /EINPresswire.com/ -- We are now only 5 weeks away from the start of the IoT Tech Expo Global, where over the course of two days, you will have a chance to listen to knowledge-packed presentations, visit over 150 exhibition stands with the newest

5000 attendees are expected at the upcoming expo

technology solutions and connect with the representatives of some of the biggest brands, all implementing the Internet of Things within their sectors.

The organisers have announced the next group of speakers, who will share their knowledge at the upcoming IoT Tech Expo. Some of the highlight speakers include:

Sotiria Lavasa - Senior Digital Consultant, Smart Buildings - Arup
Ange Johnson de Wet - Head of Cloud & Technology Change Risk - Lloyds Banking Group
Ian Smithyman - Remote Operating Transformation Director - Mitie
Dale Sinclair - Director, Head of Digital Innovation - WSP

The first day of the event will conclude with an evening networking party, attended by speakers, exhibitors, media partners and delegates who purchase a VIP Networking ticket.

The IoT Tech Expo will be part of TechEx Global which is made up of 5 co-located events. This includes the IoT Tech Expo, AI & Big Data, Blockchain, Cyber Security & Cloud Congress, PLUS Techforge Media's Digital Transformation Week.

The event is attended by CTO's, Heads of Innovation and Technology, IT Directors, Telecom Providers, Developers, Start-Up's, OEM's, Government, Automotive, Operators, Technology Providers, Investors, VCs and many more representatives of top brands implementing IoT. The

expo is expected to attract over 5000 guests, with 150 exhibitors and a minimum of 100 speakers.

If you are interested in attending, you can secure your free pass or a paid VIP networking ticket by accessing the [IoT Tech Expo website](#).
