

# Cyber Security & Cloud Expo Global announces new speakers

*New speakers have just been announced for the upcoming Cyber Security & Cloud Expo Global, taking place on 1-2 December 2022 at Olympia, London.*

LONDON, UNITED KINGDOM, October 24, 2022 /EINPresswire.com/ -- We are now only 5 weeks away from the start of the [Cyber Security & Cloud Expo Global](#), where over the course of two days, you will have a chance to listen to knowledge-packed presentations, visit over 150 exhibition stalls with the newest technology solutions, and connect with the representatives of some of the biggest brands, all implementing the Cyber Security & Cloud within their sectors.

**CYBER SECURITY & CLOUD EXPO**  
GLOBAL  
**is coming back to London**  
1-2 December 2022

5000 attendees are expected at the upcoming expo in London

The organisers have announced the next group of speakers, who will share their knowledge at the upcoming Cyber Security & Cloud Expo. Some of the [highlight speakers](#) include:

Kristian Foster, Security Operations and Engineering Manager – TSB

John Trest, Chief Learning Officer, Inspired eLearning – VIPRE

Severin Collins, Director - Sales Engineering, Europe - D3 Security

Simon Marvell, Co-Founder and CEO - Acuity Risk Management

Oz Alashe MBE, CEO & Founder – CybSafe

Dr. Rajkumar Munusamy, Azure Platform Product Owner, Vice President - Swiss Re

The first day of the event will conclude with an evening networking party, attended by speakers, exhibitors, media partners, and delegates who purchase a conference pass.

Cyber Security & Cloud Expo will be part of TechEx Global which is made up of 5 co-located events. This includes the Cyber Security & Cloud Expo, AI & Big Data, IoT Tech Expo, Blockchain, PLUS Techforge Media's Digital Transformation Week.

The event is attended by CTOs, Heads of Innovation and Technology, IT Directors, Telecom Providers, Developers, Start-Up, OEMs, Government, Automotive, Operators, Technology Providers, Investors, VCs, and many more representatives of top brands implementing Cyber Security & Cloud.

The expo is expected to attract over 5000 guests, with [150 exhibitors](#) and a minimum of 100 speakers.

If you are interested in attending, you can secure your free entry pass or a paid conference and VIP networking ticket by accessing the Cyber Security & Cloud Expo website:
