while working with the world renowned physician David Kumpe, MD. While with the University, Beth also worked closely with the Vice Chairman of Faculty Affairs and Socioeconomics to educate physician staff on radiology industry challenges and trained all radiology residents and fellows on the importance of report documentation.

StreamlineMD's CEO, Harry Curley, said, “We are so excited to have a new executive joining our team with not only a high level of Radiology and IR documentation and coding expertise, but also the leadership and interpersonal communication skills to distribute this important

knowledge to StreamlineMD's clients and staff.

Beth earned her Radiology Coding Certification Board's (RCCB) Radiology Coding Certification (RCC) and will soon pursue the AAPC's Cardiovascular and Interventional Radiology Coding

Certification (CIRCC). She is an active participant in industry associations and is currently the Board Secretary of the Colorado Chapter of the Radiology Business Management Association (RBMA), and previously served as its President. Beth has lectured for the Society of Nuclear Medicine and Molecular Imaging, was a member of the Colorado Clean Claims Task Force and was a liaison between her employers and major industry associations including the American Medical Association (AMA), American College of Radiology (ACR), Society of Interventional Radiology (SIR), and Centers for Medicare and Medicaid Services (CMS).

Beth is looking forward to the next chapter of her career with StreamlineMD, stating that "I am excited to join StreamlineMD. Their mission, values, and integrity align seamlessly with mine. Everyone is supportive which is why StreamlineMD has been voted a great place to work. I am looking forward to meeting and leading our teams and clients through the challenges of Radiology and IR coding and reimbursement with the best outcomes."

Beth is joining StreamlineMD on the heels of the retirement of Wendy Block, RCC, CIRCC, CPC, who served the company and its client for 34 years.
