*REUTERS NEXT CONVENES LEADERS TO DISSECT THE CRUCIAL CHALLENGES FACING OUR WORLD*

LONDON, UNITED KINGDOM, October 24, 2022 /EINPresswire.com/ -- This editorial was originally featured on [WorldBizMagazine.net](https://www.worldbizmagazine.net)

Reuters NEXT, the global forum gathering CEOs, world leaders, policymakers, innovators and youth and community leaders to inspire, drive action and accelerate innovation for a better tomorrow. The third edition of Reuters NEXT will be held on November 30 and December 1, 2022 in New York City.

The New York-based event will be complemented by virtual sessions kicking off the days' agendas, providing audiences outside New York opportunities to attend Reuters NEXT during their business day. The entire program will also be accessible via a free-to-attend global broadcast, with all sessions recorded and made available on-demand shortly after the live event.

“

Reuters NEXT will bring together inspirational leaders from business, politics and society to share ideas and information and create positive change.”

*Reuters Editor-in-Chief  
Alessandra Galloni*

This year's Reuters NEXT agenda, powered by Reuters award-winning newsroom, will explore four pillars:

- Leadership in times of instability – looking at the macro and micro responses to the most challenging global disruption facing the world in decades.
- The economy & inflation – considering the path ahead to

mitigate risk and price volatility for industry and society.

- Climate & sustainability – taking stock of the current reality in the wake of COP27 and the next steps.

- Digital disruption – exploring the opportunities and risks of the digitization of our world, including artificial intelligence, machine learning, big data, the metaverse and blockchain.

Reuters Editor-in-Chief Alessandra Galloni commented on this year's event, "The world is going through seismic shifts. Leadership has never been more important. Reuters NEXT will bring together inspirational leaders from business, politics and society to share ideas and information and create positive change."

The Conversation That Matters.

Building a better world demands a transformation of our understanding of business, policy, and society today. Forward thinkers and global leaders in business, policy, and beyond need a space to unite to share ideas, collaborate, and problem solve.

Reuters NEXT is the global forum for world leaders, innovators, CEOs, and policy makers to

dissect the crucial challenges facing our world today and find the solutions to power a better tomorrow. At a time when the truth and new ideas have never been more important, Reuters draws upon its global reach to examine topics from different perspectives, bringing passion, experience, and expertise to forge a new path forward.
