SAN FRANCISCO, CALIFORNIA, USA, October 26, 2022 /EINPresswire.com/ -- It is the holiday season and time to travel. See the world, see the wonder. Play golf in the bay area, ski-in lake Tahoe, shop in France, and visit the Grand Museum in Egypt. Airline baggage fees are expensive and can be excessive. Whether you're traveling with luggage or gifts for a long-awaited family reunion, heading to the beach to tee off on an oceanside golf course, skiing with the powder hounds on world-famous slopes, mountain biking remote wilderness trails, or you are an international student flying home from the University to the hometown, traveling with bags and extra gear is stressful and can be extremely costly.

The image displays the Luggage To Ship website interface. At the top, the text "We Ship Worldwide" is prominently featured. Below this, a mobile app preview shows the shipping process: selecting "From" (United States (USA)), "To" (United States (USA)), and "Shipping Date". It also lists "Select item(s)" with options for Luggage, Boxes, Golf Bag, and Skis. The app interface includes icons for each item type and a "Chat with us" button. To the right of the app preview, four categories are listed with corresponding icons: Luggage (suitcases), Boxes (stacked boxes), Golf Bags (golf bag), and Skis & Snowboards (skis and snowboard). The website URL www.LuggageToShip.com is displayed at the bottom of the interface.
