Michael Wilson

“Our years of experience helping many Knoxville homeowners quickly get rid of their unwanted properties has enabled us to polish the system we use and make it better,” said Michael Wilson, Sunrise Properties spokesperson.

Sunrise Properties' home-buying process is fast and easy.

It is designed with house sellers' needs in mind, and each transaction is processed according to each customer's unique needs.

According to Wilson, every homeowner who utilizes Sunrise Properties' cash offer program receives the exact sales amount of the property.

“When homeowners wanted to sell an unwanted property, two of their biggest concerns are how much will their offer be, and how long will it take,” explained Wilson.

“With Sunrise Properties’ home-buying solutions, we ensure to get them fair cash offers within 24 hours and close in as little as seven days.”

Another advantage when selling with house buyers, such as Sunrise Properties, is they don’t charge any transaction fees.

They buy the house as-is, and the sellers don’t even need to clean their property or move things they don’t need.

Sunrise Properties would take care of that unwanted stuff by getting the service of a storage company.

According to Wilson, house sellers can get fair cash offers from Sunrise Properties by following the four-step process.

The first step is for homeowners or house sellers to contact Sunrise Properties by phone or website. They must provide all information about their property to a home-buying specialist. This process is quick, easy, and free.

For the second step, the Sunrise Properties team would review and evaluate the details provided by the house sellers to make sure they meet the buying criteria.

On the third step, Sunrise Properties would present the house seller with a fair-written, no-obligation offer.

And, the last step, once an agreement with pricing and everything else is reached, Sunrise Properties will close at a local reputable title company, and the house seller will receive the exact amount of cash from the sale of their property.
