Covid-19 Scenario:

The outbreak of covid-19 positively impacted the KSA [last mile delivery market](#). The pandemic has accelerated the growth of the e-commerce sector and its segment, thus increasing the market demand.

Since the outbreak of the pandemic, customers are shopping online and this resulted in the adoption of cashless payment methods in Saudi Arabia, thus driving the growth of the market. The report offers detailed segmentation of the KSA last mile delivery market based on service type, delivery time, and end use.
