

Meet with the Leaders in Foam Swab Technology at this year's SEMA Show on November 1-4, 2022, in Booth 12769

Super Brush LLC will be showcasing its new line of lint-free foam swabs for restyling and car care detailing at this year's SEMA Show.

SPRINGFIELD, MA, US, October 25, 2022 /EINPresswire.com/ -- Super Brush LLC will be showcasing its new line of lint-free foam swabs for restyling and car care detailing at this year's SEMA Show. The team will be in booth 12769, located in the North Hall at the Las Vegas Convention Center on November 1-4, 2022. Super Brush is a US-based manufacturer with over 65 years of experience manufacturing lint-free foam swabs and applicators.

"Our Car Care Detailing Foam Swabs are an all-purpose foam swab that fit a direct need to clean and detail an automobile," says Diane Henry, Director of Sales for Super Brush LLC.

"Our foam swabs are safe for delicate jobs on cars, motorcycles, boats, RV's, and ATV's."

Super Brush's brand-new Car Care Detailing Foam Swabs will be one of the highlights of this year's SEMA Show. The new Car Care Detailing Foam Swabs are perfect for removing dirt, dust, and grime from a variety of areas including air vents, cup holders, knobs and buttons, seat seams, cracks, and crevices. The ultra-soft foam heads are lint-free and made with durable plastic handles, which are washable and reusable with soap and water. Super Brush foam swabs can also be used to apply touch-up paint, lubricants, and solvents, and to remove metal shavings and debris during engine builds.
