WASHINGTON, DC, US, October 26, 2022 /EINPresswire.com/ -- [CONK! News](https://conk.news), the web's premiere conservative/libertarian news aggregator at [conk.news](https://conk.news), is pleased to announce the revamping of its lineup of conservative podcasts. On Mondays and Thursdays CONK! News offers "In The Dark with Jim Peters", hosted by CONK! News' editor-in-chief. Wednesday brings "The Rearden Report", hosted by reporter-at-large and "fulfillment journalist" Hank Rearden, accompanied by his sidekick and engineer Tim Conaway. And on Fridays it's CONK!'s long-standing flagship program "CONK! News Weekend", a raucous panel discussion that's "not your father's Sunday morning show".

CONK!'s Editor-in-Chief Jim Peters said, "This production schedule seems to be working for us right now. Hank Rearden's angry and amusing rants on our previous shows were so well received that they pretty much begged for their own program. When Hank is on, there is no better political pundit in the entire conservative universe. In each show Hank pretty much comes up with at least one

Hank Rearden said, "My show is about how the world comes at me. I'm an overtaxed tax payer and an uncompensated tax collector. And that's how we look at life on The Rearden Report."

"CONK! News Weekend" has been in production since the news service opened in March 2021, and this weekend marks the 82nd weekly episode. "We bill the Weekend program as an 'alternative Sunday show'", Peters said. "I think everyone would agree that it's way, way more irreverent than, say, 'Face the Nation'." The show is hosted by Peters and the panel usually consists of CONK! News Contributors Tim Conaway and Don Zorro, plus one or more guests. Regular guests have included Jennifer Kabbany, editor of TheCollegeFix.oom, and David Strom, editor of HotAir.com.

Launched in March 2021, CONK! NEWS is already the premiere conservative/libertarian news aggregator on the web, collecting headlines, photos, podcasts and videos from over 200 news sources every three hours. CONK! News also produces four original podcasts each week: "In The Dark" is hosted by CONK!
