

Silicon Valley Aesthetic Dermatology Announces Content for Botox Treatments in San Mateo, Foster City, and Burlingame

Silicon Valley Aesthetic Dermatology is a professional skin care clinic serving the San Francisco Peninsula region.

SAN MATEO, CALIFORNIA, UNITED STATES, October 30, 2022 /EINPresswire.com/ -- Silicon Valley Aesthetic Dermatology, a best-in-class [skin care](#) clinic based in Foster City at <https://svaestheticderm.com/>, is proud to announce a content update to its "[Botox](#)" page. The page helps residents of Foster City, San Mateo, and Burlingame understand the pro's and con's of injectables. Injectables like Botox may be the right solution for a specific skin issue.

"Botox is considered the 'gold standard' of injectables by many consumers. It helps smooth skin and allows wrinkles and frown lines to disappear," explained Dr. Miguel Canales, medical director of Silicon Valley Aesthetic Dermatology, "Our clinic also provides options for other excellent injectables, however, so we highly recommend a personal, one-on-one consultation."

The Bay Area community can review the content updates at <https://svaestheticderm.com/botox/>. The professional skin care clinic provides Botox, as well as other injectables, as a solution to personal skin problems. The clinic offers a selection of high-end injectables such as [Juvederm](#) (<https://svaestheticderm.com/juvederm/>), Radiesse, Belotero, Restylane, Kybella, and Dysport

(<https://svaestheticderm.com/dysport/>). Each treatment may bring a slightly different result. A

no-obligation consultation with the clinic can help individuals determine the best injectable skin treatment.

The clinic uses several tools and treatments to support better, healthier skin, such as microdermabrasion, injectables, and laser skin rejuvenation. Interested persons can review the archive of Botox-related posts at <https://svaestheticderm.com/blog/tag/botox/>. Positions include affordable Botox and alternatives to Botox for healthier-looking skin. Those with hair loss issues are referred to <https://siliconvalleyhairinstitute.com/>.

BOTOX CAN BE THE BLUEPRINT FOR SKIN REJUVENATION OPTIONS IN SAN MATEO, CA

Here is the background on this release. If Bay Area residents need answers to unhealthy-looking, aging skin, the topic of Botox may arise. Botox might be the first option in skin care clinics around San Mateo and other cities, considered a familiar 'tried and true' injectable. For these reasons, the skincare clinic has launched a new informational page for Botox. Details about the popular injectable can provide an overview of the treatment and possible outcomes. The page can lead to other clinic pages offering a list of highly effective injectables as alternatives. Helpful information about Botox could be the blueprint for finding the best injectable therapy in the Bay Area.
