The Art of Passion tells the story of a contemporary dancer dressed in red getting ready to dance in the desert, as a Maserati GT races down the rocky Californian landscape. As she begins to dance, the Maserati GT gets closer and closer to the desert, until they finally they meet in the desert and engage in an exhilarating duet, both expressing how they're driven by passion.

The Art of Passion has been directed by Moritz Staudte. As a growing freelance director trying to face bigger challenges, The Art of Passion is the result of his first finished spec commercial. This spec commercial shows what you can achieve in very little time, with the joint passion of a team as excited as himself to visualise ideas.
