

UnityOneCloud™ wins Gold Globee® in the 12th Annual 2022 Business Excellence Awards

SAN FRANCISCO, CALIFORNIA, UNITED STATES, October 26, 2022 /EINPresswire.com/ -- UnityOneCloud™ has announced that The Globee Awards, organizers of world's premiere business recognition programs and corporate ranking lists, has named the company as a recipient of the gold award in the cloud management category. □

UnityOneCloud™ provides integrated infrastructure management, including data center infrastructure management (DCIM), enabling clients to observe, monitor, and manage the data center's hardware and virtual assets remotely. It is also a cloud management platform (CMP) with APIs into multiple cloud providers and technologies to enable the management and monitoring of complex hybrid multi-cloud environments through a single pane of glass. It is offered both as a standalone SaaS platform for enterprises and as a management tool for delivering managed services by many MSPs and Global System Integrators. □□□

The renowned annual Business Excellence Awards is the world's premier awards program honoring employer excellence, employees, and HR achievements. The awards globally recognize the best employers, employees, and human resources professionals, teams, achievements, and HR-related products, services, training, and consultants who help to create and drive the best

places to work. This annual awards program celebrates the individuals and teams who set industry benchmarks for excellence. All organizations private or public, corporations, nonprofits, associations, vendors, and government organizations worldwide are eligible to enter.

“We appreciate this recognition from the Globee Award jury. It is a testament that our product UnityOneCloud™ is revolutionizing the industry and has become the leading cloud management platform to enable enterprises and service providers manage their hybrid cloud footprints,” says CEO – Mr. Abhijit Phanse.

Judges from around the world representing a broad spectrum of industry experts participated in the judging process.
