2 new books expose Trump as a "Wannabe AntiChrist", and a Time Travel Wrecking Ball in a 100-year Chronogarchy plot to break apart America

BLAINE, WASHINGTON, USA, November 9, 2022 /EINPresswire.com/ -- 2 new books expose

Trump as a "Wannabe AntiChrist", and a Time Travel Wrecking Ball in a 100-year Chronogarchy plot to break apart America

"[Time Screen](#): The 100 year Chronogarchy Plot to break up America using Time Travel, Trump & Treason" by Alfred Lambremont Webre (Author) is a new non-fiction, whistleblower evidence-based time travel exposé of a 100-year unlawful, secret, and deceptive Chronogarchy plot to break

up the Constitutional United States of America through quantum access time travel, using Donald J. Trump as a key intentional actor.

in his new book, Futurist and Author Alfred Lambremont Webre reveals his own 1971 meeting with the Top Secret DARPA CIA time travel unit after DARPA-CIA time-travelled his landmark book "Exopolitics" from 2005 back to 1971 using classified quantum access technologies. Continuing the disclosure narrative, Alfred reveals a stunning January 1977 meeting with Stanford Research Institute futurist Director Willis Harmon who told him of the future Balkanization of the USA, "Alfred in the Future, the United States of America will break up into many regions." As Alfred's book "The Chronogarchy" reveals, in 1971 U.S. Presidents George H.W. Bush, George W. Bush, Bill Clinton, Barack Obama, Donald J. Trump, and Joseph Robinette Biden would be pre-identified and groomed on a common consensual policy by the DARPA-CIA Chronogarchy secret Presidential Time Travel pre-identification program.

Alfred's new book presents proactive solutions to keep the Constitutional body politic of the United States of America together so that the positive American Experiment does not fall victim to covert, time travel predicted projections of the Chronogarchy, although there are strong forces plotting for the breaking up of the Constitutional USA.

In his new book "Tracking the [AntiChrist](#)," futurist Alfred Lambremont Webre, originator of the Sciences of Exopolitics and of the Omniverse in his iconic books Exopolitics and the Omniverse Trilogy, applies the Spiritual remote viewing tests of Chapter 13 of the Book of Revelation to the many public candidates for prophesized global AntiChrist emerging in our post-modern Era: Chronogarchy Deep State; Sentient AI Artificial Intelligence; Mohammad Bin Salman (MBS); [Donald Trump](#); The Rothschilds; The Pope; Prince William; Vladimir Putin; King Charles III; CCP: Chinese Communist Party; False Second Coming & More.

"Tracking the AntiChrist" shows that the prophesized planetary AntiChrist will manifest immediately prior to the prophesized "Second Coming" of Jesus, the human manifestation of the Creator God of our Local Universe. As with Alfred's ground-breaking 2022 book "A Revelation on the Life and Teachings of Jesus" (UniverseBooks.com), his new book "Tracking the AntiChrist" shows that Earth has not yet reached the Golden Age time of the Second Coming of Christ. Hence, none of the named "AntiChrist" world figures of our post-modern era are the prophesized "AntiChrist". They including Donald J. Trump are "wannabe" AntiChrist.
